

DOMESTIC VIOLENCE

***Detailed descriptions and Clips are available on our website**

New! **BEHIND CLOSED DOORS: Children Who Witness Domestic Violence** ***Canadian!**

This video addresses the impact that witnessing domestic violence has on the developing brain of infants and children. It will demonstrate the effect on their behaviour and relationships and the long term consequences for their future. In Part One, clinical psychologist, Dr Sandra Wieland, gives a clear and understandable explanation about what is happening for a child living in a violent home, while the accompanying scenes, from the child's perspective, bring us into their world and their experience. These scenes are gender neutral. Part Two focuses on the steps that parents and caregivers can take to help children survive this experience with the best possible outcome.

IT'S NOT LIKE I HIT HER! *Canadian!

"Best documentary I've ever seen." It's not about arguing or disagreeing; it is about chronic criticism, verbal degradation, intimidation and isolation imposed on women to keep them in a socially and emotionally unsupported position and finally crush the spirits of their female partners. Tools for confronting and ending this type of abusive behavior and the treatment options available for abusers are covered. #7189/1322 23 minutes 2000 \$179.95 *CC *SA

ONE HIT LEADS TO ANOTHER *Canadian!

The combination of detailed descriptions by abused women and great dramatizations helps both male and female viewers to understand the realities of spousal abuse, what motivates this kind of activity, and reveals the myths that surround it. Low self-esteem, rather than straight anger, is the central causal issue and the ability to quit habitual spousal abuse is as problematic as recovery from any other addiction. #7807/2130 15 minutes 1991 \$179.95 *CC *SA

TIME TO CHANGE *Canadian!

"I'm so sorry...it'll never happen again." Oh really? Is there effective treatment for stopping men who are abusers? This highly recommended sequel to ONE HIT LEADS TO ANOTHER (see above) utilizes superior dramatizations to make viewers aware that spousal abuse just will not stop by itself. Treatment is required. #7798/2140 26 minutes 1992 \$179.95 *CC *SA

TURNING POINT: Women Who Abuse *Canadian!

For many who work in the family violence field, it is difficult to accept that some women can be, and are, abusive to their partners. The discussion on women's abusive behavior can make us uncomfortable and challenges traditional stereotypical views of what, and who women are. The program demonstrates how some women can be just as capable of harbouring harmful negative attitudes, entertaining destructive negative self-talk, and choosing violence as a way of controlling their partner as some men are.

UNDERSTANDING VIOLENCE

This program features Dr. Carl Bell, one of the country's leading psychiatrists, who focuses on children who have witnessed violent acts, committed violence, or been the victims of violence. In this program, Dr. Bell argues that the cycle of violence in children's lives can be broken if we act early to deal with their trauma. Children capable of violence must be taught to empathize with the pain in someone else's life, allowing them to see the consequences of violence. #14724/0635 27 minutes 1995 \$129.95

VICTIMS OF ANOTHER WAR: The Aftermath of Parental Alienation

Parental abduction and child alienation: this is a ground-breaking study of a topic that can change lives. It is the filmmaker's sincere hope that any parent that is thinking of abducting and alienating their child (from the other parent) will understand the ultimate ending of the story and reconsider their options for the sake of their children ... and for themselves. The program is also aimed at law enforcement and counseling professionals to help them better grasp the serious implications of what is still often treated as a simple domestic dispute with no real victims. #1044/0770 34 minutes 2005 \$99.95 *SA
